

ECUMENICAL APOSTOLIC CHURCH DIOCESE

OFFICE OF PRESIDING  ARCHBISHOP

3810 Ropers Church Road – Lanexa, Virginia 23089

Attention to all bishops and priest within the EACD:

Subject: *Donations as Personal Gain*

Any clergy members whom are asking for money as a donation and are using the funds that are not what it's meant for, and if this Diocese receives complaints of this act of its bishops or priests, then we have no choice but to removed that bishop or priest from the diocese at once. The board members of the Archdiocese will first investigate the complaints before any dismissal. Conduct yourself as a minister and not being a greedy person.

Donations that are received are to be used for the church ministry of the Father and not for personal gain.

This is starting to be a big problem and not being a good minister and also reflects on the EACD. If you are to receive funds use it to build the ministry not to tare it down. Build it upon the rock and not on sinking sand. Remember to give receipts to those that give and keep records.
